*****DUES INCREASE*****

Attention all Post 71 members! We are raising annual Post dues from \$25.00 to \$35.00 starting January 1st, 2016.

*****Pay your 2016 dues BEFORE January 1st and you won't have to pay the extra amount. If you wait until after January 1st, then you will pay the new dues amount.*****

The increase is due to National raising their dues by \$5.00. We don't know what amount, if any, that Department might be raising their dues as well.

Out of the \$25.00 everyone currently pays in dues, the Post only gets to keep \$2.50 with the rest going to National and Department. The Executive Committee has been contemplating raising the dues for a couple years, but since National was going up, we decided to add a little more so the Post can keep more. Our Post is growing in membership and we want to continue all of our programs and events throughout the year.

We know this will be a lot to some people, but when you break it down, that \$10.00 is only .83 cents a month!

The dues increase was voted and accepted by Post 71 Executive Committee.

If you have already paid your 2016 dues, then we thank you.
